**The Commissioner/Secretary to Govt.  
PHE, I&FC Department,  
Civil Secretariat,  
Srinagar.**

**No: PHE/Estt/12251-52  
Dated: 06-07-2019.**

**Subject: Posting of I/C Superintending Engineer (Civil) for Hyd. Circles.**

**Sir,**

This is in continuation to this office letter No: PHE /Estt/10390 dated: 22.06.2019 regarding the subject.

In this connection, it is to again mention here that apart from the Hyd. Circle Baramulla/Bandipora [HQ] Sopore and Hyd. Circle Kupwara [HQ] Handwara, the Superintending Engineers of Hyd. Circle Srinagar/Ganderbal [HQ] Srinagar, Hyd. Circle Anantnag and Hyd. Circle Shopian stands elevated as Chief Engineers with the result the working of circles is suffering badly. Your goodself is aware that the Superintending Engineers has a vital role in execution of works under languishing projects and non availability of Superintending Engineers in the department will delay the process as the Superintending Engineer is also the Chairman of verification committee.

It is therefore requested that suitable substitute<sup>2</sup> Superintending Engineers for the circles may kindly be posted on priority in the interest of smooth working of the department or the senior most Executive Engineer will be assigned additional charge if approved.

The salary and G. P. fund cases in various divisions are stuck since long.

**Yours faithfully,**

**Chief Engineer,  
Kashmir PHE Department  
Srinagar**
